WORLDMARK EXCHANGE PLUS TERMS AND CONDITIONS

A WorldMark Member ("**Member**") who enrolls in the WorldMark Exchange Plus program ("**WM Exchange Plus**") may have their qualified third-party timeshare interval week consisting of fixed or floating week intervals ("**Qualified Timeshare Weeks**") assigned a WorldMark trade credit ("**Trade Credits**") value which will be applied towards their WorldMark by Wyndham total credits for use and their VIP by WorldMark status level for five (5) years.

1. Eligibility

- (a) Membership in the WM Exchange Plus program is a benefit of The Exchange Network ("**TEN**") which is the exchange program offered and operated by Wyndham Resort Development Corporation ("**WRDC**") doing business as WorldMark by Wyndham ("**WBW**"), and is available to persons making a new vacation ownership purchase or to an existing Member making an incremental vacation ownership purchase from WRDC so long as that person owns a Qualified Timeshare Week which is not currently affiliated with WBW, who pays the WM Exchange enrollment fee, and meets additional criteria set forth within Sections 1(b), 1(c) 1(d), and 1(e) in this enrollment agreement. Member may enroll a maximum of two (2) WorldMark Exchange contracts per Ownership. A combination of one (1) Exchange Plus contract and one (1) Exchange Express contract per Ownership is allowed. Membership is valid for five (5) consecutive years and becomes effective upon verification of the Qualified Timeshare Week being enrolled per the verification terms described in this agreement.
- (b) This enrollment agreement, when signed by Member, gives WRDC the right to contact and verify the maintenance dues, ownership, and any other required information through the resort's developer, resort's property owners' association office, and/or RCI, LLC ("**RCI**") or Interval International ("**II**"). Notice of cancellation will be provided in the event that WRDC is unable to verify Member's eligibility per the criteria set forth within this enrollment agreement. Cancellation shall in no way relieve a Member of the obligation under any other contract or agreement with WRDC including any contract or agreement entered into as of the date of this enrollment form.
- (c) "**Qualified Timeshare Week**" shall mean the timeshare interval week affiliated and individually registered with RCI or II not including: timeshare interval weeks that cannot be exchanged through RCI or II, timeshare interval weeks that are points-based, club memberships, leases, triennial ownership, resorts that do not allow participation in the WM Exchange Plus program and resorts that are affiliates of WRDC. Ineligible resorts may include resorts affiliated with RCI or II. Eligibility is determined by WRDC in its sole discretion.
- (d) WRDC is relying on the accuracy of the information provided by the Member concerning their Qualified Timeshare Week in accordance with this WM Exchange Plus enrollment agreement. To the extent the information the Member provided is inaccurate or that their Qualified Timeshare Week is not otherwise eligible for the WM Exchange Plus program, WRDC is not obligated to provide the Member the amount of Trade Credits exchanged for their timeshare interval week at any time. Members acknowledge that they are not relying on the estimated Trade Credits exchanged for their timeshare interval week as an inducement for their purchase with WRDC or an affiliate of WRDC, and they acknowledge and understand that any elimination of the Trade Credits exchanged for their timeshare interval week does not provide them the right to cancel or rescind their purchase with WRDC or an affiliate of WRDC.
- (e) The Member will be required to be enrolled in the VIP by WorldMark membership so that Trade Credits may count towards their VIP by WorldMark status level.

2. Participation

- (a) Upon becoming a Member of the WM Express Plus program, Member will be eligible for the benefits associated to the number of Trade Credits applied towards their VIP by WorldMark status level for five (5) years after purchase. In addition, Member has the option to exchange the Qualified Timeshare Week for Trade Credits through the WorldMark Exchange Plus deposit process, deposit and occupy the week through RCI or II, or occupy the week directly at their home resort.
- (b) To exchange the Qualified Timeshare Week for Trade Credits for accommodations use, Member with a fixed Qualified Timeshare Week must either (i) call RCI or II each year at least nine (9) months prior to the check-in date of the Qualified Timeshare Week to deposit the Qualified Timeshare Week with RCI or II, or (ii) request RCI or II's Auto Deposit option. Member with a floating Qualified Timeshare Week must (i) contact their home resort for a specific week to be assigned and (ii) call RCI or II at least nine (9) months prior to the check-in date of the assigned week to deposit the week with RCI or II. Upon verification that Member is in good financial standing, is the owner of the

Qualified Timeshare Week, and that the Qualified Timeshare Week is available, RCI or II will provide Member with a Deposit Acknowledgement email. After receipt of the Deposit Acknowledgement email, Member must call WRDC to complete the exchange of the Qualified Timeshare Week during which time Member shall provide payment of the WM Exchange transaction fee to receive the Trade Credits in the current anniversary year unless otherwise stated within this enrollment agreement. - (d) After the Qualified Timeshare Week for a certain year has been exchanged for Trade Credits, it cannot be returned to the Member. The Trade Credits will be available for reservations for one (1) anniversary year starting from the date of the award to the account and may be used for all the WorldMark by Wyndham benefits offered in relation to the number of Trade Credits allocated including, converting to Wyndham Rewards points. WRDC reserves the right to adjust the beginning date on which the Trade Credits will be available for use in the WorldMark by Wyndham ownership.
